Houston, TX, August 22, 2010. AHFC is extremely pleased to announce that it has reached an agreement with Awty International School for use of its spectacular Soccer Stadium for the forthcoming season.

“This is a major step forward for AHFC as it continues to strive for excellence for its players, both on & off the field” say AHFC’s General Manager, Mark Horton. “Use of this purpose built soccer stadium will allow for AHFC teams to practice & develop on a state of the art field that is second to none to any other soccer facility in the City, whether it is at the youth or professional level.”

Not only will the field conditions allow for a great training environment, it will also cut down on the amount of times practice will be cancelled due to wet fields as the field is state of the art "artificial turf".

AHFC's commitment to its players has meant a major investment by the club to ensure we provide the best for our players in regard to their development & opportunities.

ABOUT AHFC
