

Albion Hurricanes FC – Sponsorship Opportunities

Albion Hurricanes FC (AHFC) is a non-profit 501(c) (3) organization formed in 1989. The club is a nationally recognized competitive youth soccer program in metropolitan Houston serving over 4,500 boys and girls ages 5 through 18. AHFC continually seeks out the highest level of competition and exposure throughout the country for its players and teams. Both boys and girls teams perform at the top tournaments and showcases, involved in the Olympic Development Program (ODP), and participate at the highest youth competitive levels at the national, regional, and state associations. Many of these players have competed against foreign competition throughout the years from Russia, Estonia, Holland, England, Mexico, Panama, Costa Rica, Norway, El Salvador, and Bolivia.

AHFC is committed to developing young men and women into leaders on the field, in the classroom, and in the community. However, many of these bright young men and women who possess talent and dedication to the sport are unable to afford the opportunity to participate and play select soccer. AHFC Sponsorship Program has been created with the ideal that every child who desires to play select soccer has the opportunity for success not only on the soccer field, but in life as well.

Some of the ways AHFC reaches out to the community is through AHFC Community Outreach Program-a cooperative effort by AHFC and Ministerio Esperanza en Cristo, Friday Night Futbol-an affiliation with Spring Branch Memorial Sports Association (SBMSA) and Katy Youth Soccer Association (KYSA), and soccer camps held throughout the year. AHFC assists families in our club with financial assistance for its players of lower household incomes and who may have language and cultural barriers. The program is designed to introduce and facilitate the sport of soccer to children living in the city of Houston and the surrounding areas, and targets children living in urban areas who need an activity outside of school, in their own environment.

Attached is a partial list of general sponsorship options, the list is a guide for those to find a suitable option, and if you wish to sponsor our organization, we will discuss the terms and intentions of your donation to find something suitable to your needs. Thank you for your time and consideration.
