

INJURY PROTOCOL

Presented by Albion Hurricanes FC

Memorial Hermann Memorial City Medical Center is committed to providing Albion Hurricanes athletes quick access to the appropriate level of care for athletic injuries.

Reserved specifically for Albion Hurricanes athletes, we have established a block time for free initial assessment of minor athletic injuries. Starting January 25th, a licensed Athletic Trainer will evaluate injuries on Mondays from 6-8 p.m. at the Sports Medicine and Rehabilitation clinic located inside Baseball USA at:

2626 W Sam Houston Pkwy North
Houston, TX 77043.

If any injury occurs during evening and weekend hours, please call 713 471 2359 afterhours and leave a voicemail message so that we may know you are coming on Monday. We are working diligently to provide the injury clinic in the Katy area starting March/April 2010.

If the injury is an emergency, please go directly to the Memorial Hermann Memorial City Emergency Center or Children's Memorial Hermann Emergency Center; located at 915 Gessner Rd (across from Memorial City mall), and present your AHFC partner card.

For Orthopedic Injuries that you feel require the attention of a physician, please contact Mary Couvillion, Orthopedics/Sports Medicine Director, at (713) 471 2359. Be sure that you tell her that you are an Albion Hurricane Athlete so that she can expedite your appointment with the physician's office.

We are pleased to partner with the Albion Hurricanes FC by providing outstanding patient care with an exceptional patient care experience.
