Houston, TX, April 14, 2010 – US U14 National Coach, David Rubinson, attended several of AHFC games at the Spring Classic in Dallas, Texas, April 1 – April 4, 2010. Rubinson watched multiple games of the AHFC 97G Blue A, the AHFC 95G Blue and the AHFC 93G Blue to identify suitable players for the US Regional and National pools. Coach Rubinson was very impressed with the quality of our teams and players.

Daniel Hill, AHFC Girls Director of Coaching, stated: "To have someone such as David show such interest in our club can only be good for our girls and provide them the opportunity to progress to the next level".

Rubinson will travel to AHFC this May for a closer look at potential candidates for the Regional and National pools.
